It aims to encourage the artistic development of each. The yearly programme includes: monthly meetings, demonstrations and critiques, workshops, indoor and outdoor sketching sessions and an Annual Exhibition. Non members are very welcome to attend most of our events – for a £3 fee or FREE.

Membership We have three different types of membership.

The next **Full membership** applications review will commence in **September 2019 closing on November 15th 2019**, with results in December and membership starting 1st Jan 2020.

Associate members and **Students** can join at any time during the year.
